

Success is the journey not the destination.

"The best education is to be had at a price, as well as the best boardcloth."

The key to failure is trying to please every body.

"The foundation of every state is the education of its youth."

Well began is half done.

"Books are the shrine where the saint is, or is believed to be."

"Strong reasons make the strong actions."

Zeal without knowledge is fire without light.

"Books are the ever-burning lamps of accumulated wisdom"

United we stand, divided we fall.

"The great hope of society is in individual character."

The secret of happiness is being content with that you have.
